Re: Eurasian Water Milfoil and Purple Loosestrife Survey
Project Nos: 2785, 10808, 10809 and 10810

DHAC:

We are writing to request a further extension to our submission date of December 1, 2012 for the above referenced report. Our consultant has completed the field surveys and is still working on the maps for the Report. The map portion is taking longer than anticipated and has not been completed. We are therefore requesting an extension of time to February 1, 2013 to file the final report.

Sincerely,
Boyce Hydro Power, LLC
