It was moved by Vallentine and seconded by Gebo to approve the June 23, 2014 minutes as presented. Motion carried.

PRESIDENT OPENING COMMENTS (Tuttle)

The July 4th fireworks went well as well as the August boat rides. Dr. Steve Miller, Director of the Center for Economic Analysis for MSU will be the featured speaker at the SLA annual meeting to be held on August 19. The boat swap is this coming Saturday at Stryker's Marina and the Founders Day Parade is September 6.

STANDING COMMITTEE REPORTS

Treasurers Report and 2014 Budget Review (Partlo)

The current balance is \$11,888.37- We will meet our financial goal for the fireworks. We will be close to budget at the end of our fiscal year September 30, 2014. We are in good shape with new and renewal memberships arriving. The 501C has been filed as well as the 990. Three volunteers are needed for the annual audit.

SLPA Sub-committee Report (Vallentine et al)

There is no update but a great deal of work is being done on the Sanford dam.

Water Quality Report (Gebo/Scarpelli)

Scott reported the bottles have arrived for the fall testing. He will have a report on the spring and fall testing in the late fall. Bill reported the SLIB is contacting Boyce Hydro and Edenville Township when doing lake treatments. PLM does weed treatment for Jerome Township and Village of Sanford. Former SLA board member, Beth Jorgensen, has an intern that will help us work on grants pertaining to water quality/erosion. We still need a volunteer from our membership to help with this project. The placing of channel markers was discussed. If boaters followed the channel less weeds would be chopped.

Membership/Briggs

Roger met with Lee Walko to familiarize himself with the membership process.

Website/Walko

Lee was absent; kudos were given regarding his work on PAYPAL.

2014 PR/Communication (Snyder/Vallentine)

The newsletter has been published and mailed to all lake lot and lake back lot property residents. The early November newsletter will be sent electronically to SLA members only. T-shirts are available for sale at \$10 each. Extra newsletters have been printed for distribution at various functions.
