

UNITED STATES OF AMERICA
FEDERAL ENERGY REGULATORY COMMISSION

Boyce Hydro Power, LLC

Project No. 10808-058

NOTICE GRANTING INTERVENTIONS

(April 18, 2018)

On February 15, 2018, the Commission issued an order proposing revocation of Boyce Hydro Power, LLC's license for the Edenville Hydroelectric Project No. 10808 (Edenville Project) in Gladwin and Midland counties, Michigan.¹ In the Order Proposing Revocation, the Commission stated that "[a]ny interested person may file a motion to intervene in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 C.F.R. § 385.214)."² Between March 6, 2018, and April 2, 2018, motions to intervene were filed by Consumers Energy Company, the Gladwin County Board of Commissioners, the Michigan Department of Natural Resources, the Sanford Lake Preservation Association, Tobacco Township, and the Wixom Lake Association. The motions to intervene are hereby granted.

Kimberly D. Bose,
Secretary.

¹ *Boyce Hydro Power, LLC*, 162 FERC ¶ 61,115 (2018) (Order Proposing Revocation).

² *Id.* P 11.
