Dear Sanford Lake Association,

Thank you for your contribution to the Four Lakes Task Force. Your support and generosity will be instrumental in helping us do the critical work of bringing back our thriving lake communities.

We currently are working on many fronts to stabilize the dams, remove flood debris, control shoreline erosion, conduct flood and environmental studies and monitor the water flow. Your donation is funding this critical work. If you have specific questions about how your gift is being used, please don't hesitate to send us an email at info@fourlakes-taskforce.org.

Sincerely,

Dave Kepler
